Kendall's Spavin Cure

BANTA ROSA, California, Feb. 9, 1883.

B. J. KENDALL & Co.,—Gents:—I seel it a duty to others suffering with the plies and falling of the rectum to write to you. I have had the plies and prolapsups of the rectum for five years, for the past three years I have suffered the most agonising pain. I tried everything without relief, but after ten day's use of Kendali's Spavin Cure, I have not seen or heard of the plies since. One who has not suffered as I have cannot comprehend the great joy that I selt at being cured of a disease almost worse that had a large bunch gather on his breast bone. I tried all kinds of liniments and had it cut open without any benefit. Saw your advertisement and bought a bottle of Kendali's Spavin Cure and ordered my teamster to use as directed. In less than one week the lump had dissappeared. Thinking that a liniment that would do what Kendali's Spavin Cure has done for my horse might benefit more. I tried it as a last resort. With gratitude and best wishes for your success, I am faithfully yours.

VEVAY, IND., Aug. 12th, 1881.
